Committee Reports: Each committee chair will give reports that can be found on the NETA65 website. You will find so much information. Delegate, financial, literature, archives, corrections, treatment facilities, accessibilities, grapevine/grapevine la vina just to name a few. Whatever your interest maybe you will get direction and ideas of where you may want to serve.

My takeaway from Assembly:

Service outside of the group is not about carrying the message to the still suffering alcoholic but it is about ensuring that Alcoholics Anonymous is going to be here for the future.

I am responsible when anyone anywhere reaches out for help. I want the hand of AA to always be there and for that I am responsible. This is not just about the alcoholic who walks into the rooms of AA but what am I doing today to make AA available to those who come after me.

Recordings of three main speakers will be available on www.NETA65.org website. I encourage you to listen to one or all of them to gain some insight from their experience.
